Lake George Boating Rules

- High speed boating allowed from 10:00 AM to 6:30 PM
- Boat speed limit 10 mph before 10:00 AM and after 6:30 PM
- Power boats must travel in a counter-clockwise direction
- Pulling someone requires a driver and an observer
- All occupants must be seated inside the boat while the prop is turning
- Maintain 100 feet of separation from other watercraft
- When overtaking another watercraft, the boat in front has the right of way
- The State of Michigan requires persons born after certain dates to have a boating safety certificate in their possession in order to operate a watercraft. The law is enforced on Lake George.
    - For Personal Watercraft, if born after December 31, 1978
    - For Boats, if born after July 1, 1996
