Sustaining Fund

Your support of our Sustaining Fund helps ensure our ability to purchase additional strategic properties as they become available. All donations to the Sustaining Fund are used exclusively for property acquisition.

Memorials

We have a limited number of Memorial opportunities available in both the Orchard property and The Preserve. Please indicate your interest on the return card, someone from the Lake George Conservancy will contact you to provide details.

General Fund

Your contribution to our General Fund helps us to maintain and develop the 100+ acres under our care. We maintain extensive walking trails, annually plant trees and native grasses, clear invasive species and execute controlled burns to promote the health of the property. Over the past years we have planted over 7000 trees. To improve the enjoyment of our users we also mow and trim a substantial area of land throughout the summer. We sponsor several fundraisers throughout the year including the Chicken BBQ over the 4th of July weekend, our summer Boutique featuring Lake George apparel and gifts and our Native Plant sale on Memorial Day weekend. These fundraisers only partially meet all our operational needs.

2025 Membership

Please join the Lake George Conservancy for 2024. We have both individual and family memberships available

Year End Tax Benefits and Charitable Giving Strategies

Donors who make contributions to qualified charities are generally entitled to a charitable deduction if you currently itemize deductions on your income tax return. Another option can be a qualified charitable distribution (QCD) from a traditional IRA. If interested in providing a donation of this type, we encourage you to visit with your estate planning attorney, tax or financial adviser.

Estate Planning

Contributions made through your estate are another means for you to support the future of the Lake George Conservancy. We encourage you to talk with your financial planner or accountant who can help you decide on the best solution for your needs.
